Admissions Overview

Welcome to the Em(W)-diew

Recent changes

The items in ADM were moved from the Institutional Characteristics component. There will be no change to the data items collected, only to the collection period in which the data are submitted.

In previous collections, institutions selected from two reporting period options. Admissions data from the prior year could be provided if current year data were not available at the time of reporting. Beginning with the current Winter 2014-15 collection, all institutions must use the most recent Fall reporting period.
